Item 1.01. Entry into a Material Definitive Agreement.

On September 23, Coca-Cola Bottling Co. Consolidated (the “Company”) entered into a commitment letter with JPMorgan Chase Bank, N.A. (“JPMC”), J.P. Morgan Securities LLC (“JPMS”), Citigroup Global Markets Inc. (“CGMI”), Wells Fargo Bank, National Association (“WFB”) and Wells Fargo Securities, LLC (“WFS”) with respect to a new \$350 million five-year unsecured revolving credit facility (the “Facility”). Pursuant to the commitment letter (i) JPMC will provide up to \$90 million of the Facility and will act as Administrative Agent, (ii) CGMI and WFB will each provide up to \$90 million of the Facility and will act as Co-Syndication Agents and (iii) JPMS, CGMI and WFS will act as joint lead arrangers and joint bookrunners and will use their commercially reasonable efforts to arrange a syndicate of lenders for the balance of the Facility. The proceeds from the Facility will be used to refinance the outstanding balance of the Company’s existing lines of credit and for general corporate purposes. Subject to obtaining commitments from the lenders and satisfying other conditions specified in the Facility, the Company may increase the aggregate availability under the Facility by an additional \$100 million. The Facility will include a \$50 million letter of credit sublimit.

The commitment letter provides, among other things, that the closing of the Facility is subject to conditions customary to similar transactions and substantially similar to the Existing Credit Agreement (as defined below). The Facility will close on such date as may be agreed upon by the Company and JPMS. Upon completion, the Facility will replace the Company’s existing \$200 million credit agreement dated as of September 21, 2011 (the “Existing Credit Agreement”), which would expire on September 21, 2016.
